

INTERNATIONAL SCIENTIFIC AND PROFESSIONAL CONFERENCE *YOUNG SCIENTISTS IN DIALOGUE*

Dear colleagues,

It is an honor to invite you to participate in the fifth International Scientific and Professional Conference *Young Scientists in Dialogue*.

The conference will be held on **the 23rd and 24th May 2024** at the Faculty of Humanities and Social Sciences of the Josip Juraj Strossmayer University of Osijek. The conference is organized by the Doctoral School of the University J.J. Strossmayer in Osijek, Faculty of Humanities and Social Sciences in Osijek, The Faculty of Humanities and Social Sciences in Mostar, The Academy of Arts and Culture in Osijek, and University North.

Our goal is to bring together young scientists of various interests who will use specific approaches to different professions and research perspectives to contribute to the consideration of relevant social phenomena. Scientific research and the presentation of the results and conclusions to an interested audience and their critical reflection are the purpose of every scientific conference.

With this conference we want to open a space for young researchers to demonstrate diligence, originality, and scientific competence, as well as the ability of critical discourse that adorns contemporary science.

We encourage submission of abstracts in accordance with the defined panels:

1. Challenges of helping professions
2. Technology, communication, market, and society
3. Language and literature
4. Material and intellectual heritage: the past for the present
5. Artistic print in contemporary times.

Please send the application form with abstract to the following e-mail address **konferencija@unios.hr** by **7 March 2024**.

Conference participation is free.

Sincerely,
The Organizing Committee
